Dear Richard,

Sorry to be a while sending these letters of thanks and appreciation to you from the students – it takes a while to get them all in and review them.

As you can see from the letters, your visit was a great success. The kids loved the instrument and the presentation, and will assuredly look for you whenever they attend the Symphony. I hope it will be on occasions other than the Elementary Schools Concerts. You have given them much opportunity for thinking about the harp and introduced them to an instrument that they would not readily see.

Once again, thank you so much for coming – it was an important musical, educational, and PR occasion.

Sincerely,

Marcelline Moody,  
Music teacher, Robert Browning School
